Consuming and Sharing Information: Anticipation Guide

Step 1: Brainstorm at least three ways to complete the statement 'People learn about what is going on in the world by ...'

Step 2: To what extent do you agree with these ideas about information that you consume and share? Rank each statement 1–5.

Everything people see, hear or read has an impact on how they view the world.

Strongly agree					Strongly disagree
1	2	3	4	5	

It is easy to distinguish between misinformation and the truth.

Strongly agree					Strongly disagree
1	2	3	4	5	

Information from anonymous sources should never be trusted.

Strongly agree					Strongly disagree
1	2	3	4	5	

Only the creator of an image or a text is responsible for its content.

Strongly agree					Strongly disagree
1	2	3	4	5	

People should be sceptical about everything they see, hear or read.

Strongly agree					Strongly disagree
1	2	3	4	5	

It is dangerous to share information without first fact-checking its content.

Strongly agree					Strongly disagree
