

## Handout

Name: \_\_\_\_\_

## **Hexagonal Thinking Written Response**

<b>Directions:</b> Choose three points of connection from your Hexagonal Thinking grid to explain in writing, using evidence from at least one text to support your ideas. For example, you might choose Trevor Noah and language. If a hexagon has multiple connections, you only need to choose one for each response.		
Connection Point 1		
I am connecting		
How do these two ideas connect? Use evidence from at least one text from this text set to support your argument.		

## **Connection Point 2**

I am connecting	and
How do these two ideas connect? Use evidence support your argument.	e from at least one text from this text set to

## **Connection Point 3**

l am connecting	and
How do these two ideas connect? Use en support your argument.	evidence from at least one text from this text set to
